# SUMMER ACTIVITIES.

## **History and Legends Tour**

Sometimes history is a legend. Sometimes a legend is history. The story of Old Town San Diego is both. Take a stroll with Old Town's colorful characters and experience history and legends as never before! Enjoy scandalous stories and a bit of history from a letter opening postmaster and a tipsy newspaper editor.

## **Old Town Overview Tour**

A glimpse of the Old Town history from 1769 to 1872.

## **Living History**

Living History encompasses many different activities and experiences! Walk around the park and find a variety of things happening in different places. You may find a political rally, travelers sharing a story at the stage coach, or residents who just have a thing or two to say about the day's news. Please visit the Visitors Center for a full list of today's Living History activities.

## ***Special Saints and Sinners Show***

The Saints and Sinners Show combines theater with an historic tour. Join the colorful characters of the 1800s on a perambulation around town and experience the pastimes and entertainments enjoyed by many people in Old San Diego. See if you can figure out who is a saint and who is a sinner!

## **History and Her Story Tour**

History is usually the stories of male exploits and told from a male perspective. This tour provides a welcome balance. Join the residents of 1800s Old Town and enjoy their often conflicting points of view.
